3. Further information

Preference authorisation

Preference authorisation is granted by the State Secretariat for Economic Affairs (SECO) on request. The request must be submitted before the first import.

If SECO approves the request, it will assign an authorisation number to the applicant.

Preference authorisation applies to all imports of palm oil or palm kernel oil for which the certificate has been issued. It is valid only as long as a valid certificate exists.

Requests for preference authorisation

Requests for preference authorisation are to be submitted to SECO using the form [Request for preference authorisation for palm oil CEPA EFTA-Indonesia](#):
